### TO THE OVERSEERS OF THE POOR IN THE SEVERAL TOWNS.

The following may send their affidavits and direct their correspondence until July 1, 1891, to Charles G. Smith, Haverhill, N. H.: Haverhill, Warren, Bath, Wentworth, Monroe, Lyman, Lisbon, Landaff, Easton, Littleton, Franconia, Bethlehem, Benton and Livermore.

The following towns may direct theirs until July 1, 1891, to H. H. Holt, Lyme, N. H.: Piermont, Orford, Lyme, Hanover, Lebanon, Canaan, Grafton, Orange, Dorchester, Bristol, Alexandria and Enfield.

And the following towns direct theirs to C. W. Herbert, Rumney Depot, N. H.: Rumney, Groton, Hebron, Ellsworth, Plymouth, Bridgewater, Ashland, Holderness, Campton, Thornton, Woodstock, Waterville and Lincoln.

We desire to call your notice to Chapter 25, Sections 5, 6, 9, and Chapter 83, Sections, 1, 14, and 15, of the General Laws, and inform you that no bills will be paid for more than 30 days support previous to the proper affidavits being furnished us according to the requirements of these statutes.

The evidence as to the settlement must show the name, age, place of present or former residence of the applicant since 1880; the amount of property owned by and taxed to them in any place since 1880; whether married or single; if married, when and to whom; if under the age of thirty years, the name and place and residence of parents; the amount of property owned by and taxed to either of them; if they have received any aid, when and by whom; where they have lived since 1880, and any other material facts bearing upon the matter.

We would also call your attention to Chapter 58, Section 1, Pamphlet Laws of 1883, entitle "An act for the punishment of parents who neglect to provide for the support of their minor children," and to report any such case at once to the commissioners, so that such delinquents may be compelled to perform their duty to their legitimate offspring.

You are requested to present to the County Commissioners during the first week of each term of Court, all legal claims which said town has against said county for the support of county paupers.

You are requested to look after the interests of said paupers, and be sure that each pauper gets a dollar's worth of goods for a dollar, and settle no bills that are not particularly itemized as regards weight, quantity and price.

We desire to express our thanks to the overseers of the poor throughout the County for the interest they have manifested in their able assistance in the care of the unfortunate poor in our midst. The class of paupers that receive aid at their homes, in the several towns, in the County, are directly under your care, and we trust you will give each case a personal inspection so that no one shall defraud the county, and no deserving ones suffer for the common necessities of life.

We extend to all the citizens, and especially the taxpayers, a cordial invitation to visit the Almshouse, and witness for themselves the manner in which the institution is managed, and thus be better enabled to judge how their money is expended.

Respectfully submitted,

Charles G. Smith,	} Grafton

Total net cost of supporting paupers at Farm for the year ending April 30, 1891,	7,394 97
---	----------

In accordance with Chapter 28, Sec. 1, Gen. Laws, the Superintendent of County Farm shall make up his report to May 1st annually, and also Sec. 2 of said chapter requires that the Superintendent's report shall contain, in addition a list of the paupers actually supported at the Farm, and the number of weeks each was so supported, also a statement of the average cost per week for each pauper, with an explanation of the basis upon which said calculations were made.

The whole number of persons supported and partially supported for the year ending April 30, 1891, was (163) one hundred and sixty three.

The number of weeks board is ascertained by taking the number of days between the day of admittance and the day of departure of each individual, and dividing that number by seven, it gives the number of weeks each individual has been so supported.

The whole cost of supporting paupers on the farm for the year ending April 30, 1891, is \$7,394 97 this sum divided by the whole number of weeks board furnished viz 4,857 gives \$1 16 as the price per week.

In presenting this my report to the tax payers of Grafton County, I wish to say we have endeavored to keep the interest of both paupers and people in view, and have used our best endeavors in the disbursement of the people's money that neither should suffer.

With thanks to the Board of Commissioners and public generally for their uniform courtesy and support, this report is  
Respectfully submitted,

H. R. NORRIS, Supt.

County Building, Haverhill, N. H., May 1, 1891.

We, the undersigned, hereby certify that we have examined the foregoing account of the Superintendent of the County Farm for the County of Grafton, for the year ending April 30, 1891 and that we find the same to be properly vouched and correctly cast.

## PHYSICIAN'S REPORT.

---

Honorable Board of Commissioners and tax-paying citizens of Grafton County:

Gentlemen:—As is the custom and requirements of the attending physician I here by submit my annual report of my attendance to the Grafton County Almshouse for the year ending April 30, 1891:

Owing to the thorough and complete renovation in the previous year, setting the interior as well as the outside in a perfect state of sanitary condition, there has been no sickness of an epidemic character which could be traced in the most remote manner to the unsanitary germ which infests many of the homes throughout the state, cleanliness has reigned supreme throughout the entire institution, properly ventilated, it has an inviting aspect to those who are obliged to remain there as is plainly seen by the smiling faces of the old and young, all of whom are properly clothed and fed and never a word from the inmates have reached me of dissatisfaction. No amputations or serious accidents during the year. No Births.

I wish to express my acknowledgements to the Superintendent, matron and others who assist in the welfare of the inmates, also the Board of Commissioners to all of whom I am indebted for many courtesies seconding every suggestion and without one exception done everything in their power to render the sick in a healthful condition as speedy as possible.

The following is a list of deaths:

## CHAPLAIN'S REPORT.

---

To the Honorable Commissioners of Grafton County:

Gentleman:—The record of services as Chaplain of Grafton County Asylum, for the past year is briefly as follows;

I have held twenty one Sunday services, and attended four funerals, besides visiting the sick and infirm inmates as circumstances required. My aim has been to inculcate sympathy, kindness, honesty and purity of life among them.

All my efforts have been most efficiently seconded by your Superintendent and Matron, to whom I am greatly indebted for whatever success has attended my labors, and under whose wise and able administration this "House of Refuge" has become a happy home to the unfortunates who are compelled to seek its protection.

Respectfully submitted,

J. P. Frye.

CHAS. B. GRISWOLD, Clerk,

## SOLICITOR'S REPORT.

---

At the beginning of the present official year there were sixteen cases upon the criminal docket, six of which were appeals from Justice of the Peace and Police Courts. At

the May term one was added to the list, being brought forward from the May term 1886. Six cases were disposed of at this term and the remaining eleven were continued. At the September term two appeals were entered and these with cases already upon the docket were continued. At the November term fourteen indictments were found by the Grand Jury, twelve of which were disposed of during the term and two were continued. The docket was also cleared of two of the old cases, and the others were continued to the March term 1891. At the March term twenty-five indictments were found by the Grand Jury, twenty-three of which were for violation of the liquor laws. Eleven of the indictments found at this term were disposed of and three of the old cases. Four cases were brought forward from the November term 1888, and sentence imposed in each; two motions for attachment for contempt were made and the same were continued to the May term. Sixteen indictments remain upon the State docket at the present time, seven of which came up by appeal; one case brought forward from the May term 1886, and two motions for attachment for contempt.

The docket would have been nearly cleared up but for a considerable number of liquor indictments in which the respondents had left the state previous to the finding of indictments against them, and who have not since returned within the state's jurisdiction. It is expected that five of the appealed cases and the two motions for attachment for contempt will be disposed of at the May term 1891. Two cases have been tried by jury during the year. There have been no cases pending in court during the past year in which the County was a party.

The nature of the offenses in the matter brought before the court during the past year are as follows:

Brawl,	1
Violation of liquor laws,	23
Larceny,	3
Arson,	1
Murder, second degree,	1
Aggrated assault,	2
Kidnapping,	1
Malicious mischief,	1
Adultery,	3
Breaking and entering,	2

Obtaining goods under false pretenses,	1
Assault with intent to kill,	1
Attachment for contempt,	2
Respectfully submitted,	
W. H. MITCHELL, Solicitor.
